2018 Persistence to Graduation Summit: Cultivating Resilience

June 28-29, 2018 at the Lexington Convention Center

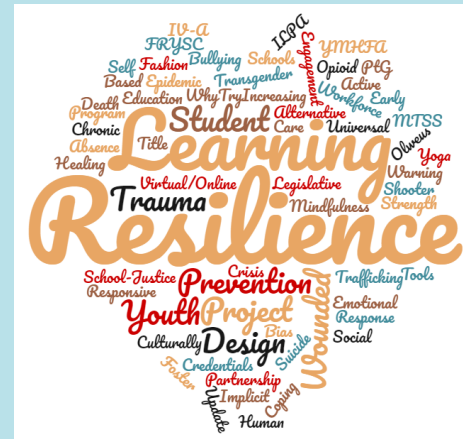

Breakout session topics will include: trauma-informed practices, culturally responsive teaching, implicit bias, project-based learning, universal design for learning, using IC tools to support persistence, working with transgender youth, human trafficking, and many more!

Keynote Speakers include Joe Hendershott and Christian Moore

Dr. Joe Hendershott

Founder and President of HOPE 4 The Wounded, LLC

Joe has an extensive background dealing with difficult and troubled youth in the school system. He has been a high school assistant principal, head principal, alternative school principal and principal at Boys' Village School (residential treatment facility). His workshops are designed to educate and empower anyone working with children that are wounded and how to get them to achieve through various programs that include esteem building and emotional development.

Christian Moore, LCSW

Founder of the WhyTry Program

Christian spent most of his childhood years on the streets, exposed to a wide array of social problems. By 2nd grade, he'd been diagnosed with ADHD, conduct disorder, severe learning disabilities, and often felt socially isolated in school. He spent time both as bully and victim; and often acted out to avoid answering the questions of teachers. He used his personal challenges, his career as a social worker, and his understanding of people from all walks of life to create the WhyTry Program, and the Resilience Breakthrough for Youth Program.

[Register now](https://goo.gl/gLXcYq) at goo.gl/gLXcYq and use discount code **2018PTG** to participate at no cost *for a limited time*. EILA credit and CEUs available.

A room block has been reserved at the Hyatt at a rate of \$143 plus tax:
